## Selective Services

The Selective Service reported that you have not registered with them. If you are female or were born before 1960, registration is not required. If you are female please check your FAFSA to be sure you answered “female”, if you do not answer the question it will assume you are “male”. Otherwise, if you are not yet registered, are male, and are 18 through 25 years of age, to receive aid you must do one of the following: 1) answer “male” to item 21 and “register me” to item 22 on the FAFSA, (2) complete a Selective Service Registration form at your local post office, or (3) register online at [www.sss.gov](http://www.sss.gov). If you believe you have already registered or are exempt, please check the Selective Service Web site at [www.sss.gov](http://www.sss.gov), select “registration info” and then “Who Must Register?” If you have documentation proving an exemption, submit it to your school to save time. Contact the Selective Service at 847-688-6888 only after reviewing the SSS website information. If you are under the age of 18 and have been chosen to provide documentation of selective services you will need to submit a copy of your birth certificate to the financial aid office. If you have any questions please feel free to contact our office at 1-254-267-7110.
