

Curriculum Vitae

Jerry Ray Glidewell

Born :11 October 1945

Current Address: Ranger College, 1100 College Circle, Ranger Texas 76470

Education:

Carrolton High School, Carrolton Texas	1963	
University of Texas at Arlington	1964 – 1971	B. S. Biology
University of Texas at Arlington	1971 – 1974	M. A. Biology
Thesis: <i>The Reproductive Ecology of The Striped Basilisk, Basiliscus vittatus Weigmann (Iguanidae), in Southern Mexico</i>		
University of North Texas	1975 – 1984	Ph. D. Biology
Dissertation : <i>Life History Energetics of The Red-Eared Turtle, Pseudemys scripta, in North Central Texas</i>		

Professional Experience:

Museum Curatorial Assistant, University of Texas at Arlington	1967 – 1974
International Biological Program Field Research Assistant in Colombia, South America	1969, 1971
Museum Curatorial Assistant, University of North Texas Vertebrate Collection	1975 – 1980
Instructor, Population Analysis, University of North Texas	Spring 1982
Ecological Field Technician, Houston Zoological Society Houston Toad Release Program	1983
Instructor, Ranger College	1984 – Present

Presented Papers:

Glidewell, J.R. 1977. Reproduction in the Striped Basilisk, Basiliscus vittatus, (Reptilia, Iguanidae) in Vera Cruz, Mexico. Texas Academy of Science, Waco, Texas, 1977.

Glidewell, J.R. and L.C. Fitzpatrick. 1978. Metabolic Compensation to Seasonal Temperatures in the Red-eared Turtle, Pseudemys scripta. American Society of Ichthyologists and Herpetologists, Herpetologist's League and Society for the Study of Amphibians and Reptiles, Tempe, Arizona. 1978.

Glidewell, J.R. and L.C. Fitzpatrick. 1980. Life History Energy Partitioning and Reproductive Effort in a Population of Red-Eared Turtles, Pseudemys scripta. American Society of Ichthyologists and Herpetologists, Fort Worth, Texas. 1980.
