

Fiscal Year 2024 Budget

Fiscal Year 2023 has brought Ranger College some great victories to celebrate. We prepared for our 10-year SACSCOC reaffirmation and on-site visit that occurred in October 2022 and then received our reaccreditation confirmation in June 2023. Last August, we were locked out of our Rodeo team practice grounds and lost the ability to use the rodeo and baseball facility that was on this property. However, in June 2023, we purchased land to build a new rodeo arena and stall barns down the street from our Ranger facility. In September 2023, Ranger College was awarded the Developing Hispanic Serving Institution (HIS) Grant for $\$ 600,000$ over a 5 -year period. With the $88^{\text {th }}$ Legislature Session and the passing of House Bill 8 in June 2023, Texas is transforming the way it funds community colleges. Texas is moving us away from the static system tied primarily to students' time in class to a modern and dynamic outcomes-based formula that reflects the needs of our world-class economy. Coming with this new funding model, the State approved an additional 23\% (approximately $\$ 211$ million) of funding in total for all Texas community colleges, which is a huge win for community colleges.

Also in the 2022-2023 fiscal year, the RC Board approved upgrading our outdated Poise Student Information System (SIS) with Jenzabar One, which is a comprehensive system that will bring the College to a modern system. This new SIS is instrumental for our Quality Enhancement Plan (QEP), 6+6 = Pathway to Success, which will increase student success by reinventing the outreach, onboarding, and advising experience for our students. The Board also approved to upgrade the College's Web Content Management System to provide a modern, updated website design. During this fiscal year, the College worked together to come up with three wildly important goals (WIGs) to address in our 2023-2028 Strategic Plan. These WIGs include (1) increase enrollment, (2) improve communication, and (3) improve facilities.

As we move into the next fiscal year, we can anticipate that we will continue to be challenged with ever-changing opportunities to problem solve and overcome obstacles. The mission of Ranger College is to transform lives and give students the skills to be a
positive influence in their communities. Ranger College seeks to provide a safe and quality learning environment for our students and staff. By upgrading our learning management systems, improving communication systems, advising to potential, new, and returning students, and offering in-person instruction as well as a healthy list of online courses, we can feel confident in continuing to offer our students a safe and robust learning opportunity.

While enrollment for Fall 2023 started off slow it has continued to gain students over the past few weeks. Even with this recent increase in enrollment, our final numbers are projected to be similar to Fall 2022.

With enrollment projections consistent for the fall 2023 semester, revenues for the College remain challenging. Because revenues from property taxes account for only 3\% of the College's total revenue, Ranger College must rely on tuition and fees for a third of its revenue. For your comparison, other community colleges receive $45 \%$ of their funding through property taxes and only $22 \%$ are maintained through tuition and fees. With the State's new funding model, State Appropriations will account for approximately $32 \%$ of the Ranger College's total revenue.

Budgeted expenditures for fiscal year 2024 are focused on maintaining current operations within available resources and support the Strategic Plan that was recently approved for 2023 through 2028. Key budget initiatives include:

- Continuing costs for implementing our Quality Enhancement Plan (QEP)
- Increasing salaries for current employees by \$315,000
- Adding twelve new positions since the fiscal year 2023 adopted budget, which is an increase of approximately $\$ 415,000$
- Continuing resources for expanding dual credit enrollment to bring college success at the high school level
- Increasing recruiting personnel to increase enrollment
- Increasing the marketing budget in order to update our visibility
- Increasing funds set aside to improve our facilities
- Increasing expenses related increased costs due to current economy

The following are comparative revenue and expense budgets, showing changes between the amended FY 2023 budgets and proposed FY 2024 budgets.
