## STUDENT RELEASE FOR PURPOSES OF RELEASING STUDENT EDUCATION RECORDS

The Family Educational Rights and Privacy Act, as amended (FERPA), allows students at an institution of higher education to control outside access to their education records, including requests for information from their parents or other family members. Without a student's written consent, Ranger College may not disclose information from a student's education records to outside third parties except as provided under FERPA. You can provide a standing release allowing Ranger College to disclose information to other persons. To do so the following declaration must be completed.

This form, when completed, **authorizes** the person(s) below to view the student's education records. In addition to giving consent, the student must assign a **unique password** for each person who he or she authorizes to access his or her records. The student is responsible for communicating that password to the person or persons he/she gives consent to. **This form is not a request for grades or transcripts.**
