The Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

Gretter created this pledge in 1893 as an oath for graduating nurses in honor of Florence Nightingale.

The Ranger College School Song
By S. Omar Barker

In the cedar hills of Texas where the
longhorns used to roam
Stands a western friendly college that we
love to call our home
It is rich in cowboy spirit and is rich in
cowboy lore
And the happy days we've spent here we'll
remember evermore.

Raise a cheer for dear old Ranger in the
dear old lone star state!
Where there's lots of room for friendship
and no room at all for hate
When the years have wrought their
changes, when our days fade into night
We will still remember Ranger and the
purple and the white!
