The Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standards of my profession and I will hold in confidence all personal matters committed to my keeping, and all family affairs coming into my knowledge in the practice of my calling. I shall be loyal to my work and devoted towards the welfare of those committed to my care.

Gretter created this pledge in 1893 as an oath for graduating nurses in honor of Florence Nightingale.
