Register

The screenshot shows a web form titled "Program Selection". It contains a dropdown menu with the label "Select your program" and a "Submit" button. The dropdown menu is open, showing the following options: "Select Program", "LVN - Accepted", "LVN - PRE ADMIT" (highlighted in blue), "Nursing", and "Select Program".

Your background screening will be started automatically with the completion of payment during the registration process. You will not need to do anything to get this started.

Your drug screening is a **RANDOM** process and you will receive a text and email when the system pulls your account for testing. SurScan and/or its staff **WILL NOT** send you in to complete your testing earlier than the system allows. Your drug screen in **RANDOM** and **MUST** be **COMPLETED** before the time given on the attachment in your notification email.

If you have issues with payment, it is usually the bank not recognizing your zip code associated with your card. Please make sure you have the correct zip code for your card.
