

How To Apply

The Free Application for Federal Student Aid (FAFSA) is an application used by virtually all two and four-year colleges, universities, and career schools for awarding Federal, state, and college-funded student aid.

Application Process

The [Free Application for Federal Student Aid \(FAFSA\)](#) is the first step in the financial aid process. Complete the form online. You use it to apply for Federal student financial aid, such as grants, loans, and work-study. In addition, most states and schools use information from the FAFSA to award non-federal aid. Other application may be required for certain programs. Please check with the Financial Aid Office about other forms you may need. Be sure you use the <https://fafsa.ed.gov/> website. Using other FAFSA websites may ask you for a fee to process your free application.
