MORE THAN JUST BOOKS BY GOLEMON LIBRARY ASSISTANT, HELEN COZART

WE ARE IN THE LAST FEW DAYS OF OUR POETRY CONTEST. THE ENTRIES SO FAR ARE OUTSTANDING. I AM GLAD I AM NOT A JUDGE. IT WOULD BE TOO HARD TO PICK. THE JUDGES COME FROM TARLETON AND RANGER COLLEGES, SO YOU KNOW THEY WILL KNOW WHAT THEY ARE LOOKING FOR. ENTRIES NEED TO BE RECEIVED BY MIDNIGHT ON APRIL 24TH. ALL TYPES OF RANGER COLLEGE STUDENTS ARE ELIGIBLE TO ENTER INCLUDING ONLINE ONLY AND DUAL CREDIT.

BE SURE STUDENTS KNOW THERE ARE PACKING BOXES IN THE LIBRARY IF THEY NEED TO PACK UP ALL THE STUFF THEY ACCUMULATED THROUGH THE YEAR. EVERYTHING CHECKED OUT IS DUE BACK MAY 2.

WHAT TO DO THIS WEEKEND: AS ALWAYS, THERE IS A LOT OF VARIETY IN YOUR OPTIONS THIS WEEKEND. PERSONALLY, I AM THINKING ABOUT THE CHICKEN FRIED STEAK FESTIVAL IN LAMESA. FOR THE MORE OUTDOORSY TYPES, THE GREAT TEXAS BIRDING CLASSIC IS IN FULL SWING. SWEETWATER HAS THE WOMEN'S AIR SERVICE PILOTS HOMECOMING. I VISITED THE WASP MUSEUM TWO WEEKS AGO AND LEARNED THE AMAZING STORY OF THESE WORLD WAR II WOMEN PILOTS. VISIT OUR SITE FOR MORE THINGS TO DO.

IN THE WINDOW THIS WEEK: CAREERS IN SPACE SCIENCES IS ABOUT MUCH MORE THAN BEING AN ASTRONAUT. THERE IS A WHOLE LOT OF BEHIND-THE-SCENES WORK. THERE ARE JOBS ALL OVER THE WORLD FOR PEOPLE SUCH AS PHOTOGRAPHERS, PRODUCERS AND DIRECTORS, PUBLIC RELATIONS SPECIALISTS, TECHNICAL WRITERS, AEROSPACE ENGINEERS, AVIONICS TECHNICIANS, AND COMPUTER ENGINEERS. PRETTY MUCH WHATEVER INTEREST YOU HAVE, THERE IS A WAY TO USE IT IN SPACE SCIENCES. FIND OUT MORE AT THE LIBRARY.

The secret of getting ahead
is getting started.
