Job Title: Data Entry Specialist, Student Support Services

When did you start working at Ranger College? 2021

The coolest place I have ever been: Doing a 100-mile bike ride around Lake Tahoe

Favorite place to eat in Texas? New York Hill in Mingus or Reata in Ft. Worth

Where can we find you on a Friday night? Watching movies with my family or out with friends somewhere

Favorite television show or movie: TV Show- Friends; Movie- The Princess Bride

Guilty pleasure: true crime podcasts/murder mystery novels

Favorite Ranger College Moment: I love watching student's confidence levels grow as they start to learn who they are as young adults!

Weekly Ranger Athletics Recap

Spring break for the Ranger College baseball team meant a 4-game series with the number 5 ranked team in the country, McLennan Community College. On Wednesday the Rangers would split the double-header at McLennan. However, on Saturday afternoon, the Rangers would drop both outings to MCC.

Lady Rangers softball had a busy Spring break with 6 games in a 4-day span. The Lady Rangers were unable to pull off an upset over #10 ranked McLennan Community College. However, they did defeat Trinity Valley CC in both games of a double-header on Thursday afternoon.

Ranger College - Upward Bound

Mar 4 · 🌐

🎉 Congratulations 🎉 to two of our Upward Bound Seniors on their acceptance to the University of their choice! Pictured below on the left is Eastland HS Senior Aerial Hernandez who will be attending The University of Texas in Austin, TX! Aerial plans to get her bachelor's in Government and after continue to get her Juris Doctor degree to become a lawyer. On the right we have our May HS Senior Abigail Apidone who will be attending Tarleton State University in Stephenville, TX. Abigail plans to get her bachelors and major in Child Development & Family Life. We are so proud of our seniors and their accomplishments. Good luck on your future endeavors ladies, we're all rooting for you!

More Than Just Books by Golemon Library Assistant, Mrs. Helen Cozart

Does this look familiar:

VI.-Core Objectives

This course meets the following of the six Core Objectives established by Texas:

- ✓ **Critical Thinking Skills (CT)**—Creative thinking, innovation, inquiry, and analysis; evaluation and synthesis of information
- ✓ **Communication Skills (COM)**—effective development, interpretation and expression of ideas through written, oral, and visual communication
- ✓ **Empirical and Quantitative Skills (EQS)**—The manipulation and analysis of numerical data or observable facts resulting in informed conclusions
- ✓ **Teamwork (TW)**—The ability to consider different points of view and to work effectively with others to support a shared purpose or goal
- ✓ **Social Responsibility (SR)**—Intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities
- ✓ **Personal Responsibility (PR)**—The ability to connect choices, actions, and consequences to ethical decision-making

Did you know the library can help you with these Core Objectives? Our big three are critical thinking, communication skills, and empirical and quantitative skills. We can provide library instruction that develops all of these in your students, but just being involved in teaching like ours strengthens their ability to work together and be responsible members of the community. The more skilled at learning they become, the easier it is for them to engage in decision making that is beneficial for their long-term goals. We can work with you in the library or the classroom!

What to do this weekend: Visit the [National Museum of the Pacific War](#) in Fredericksburg. In addition to all their regular demonstrations, living histories, and activities, during their Spring Break Weekend you can join in scavenger hunts, play a life size version of Battleship, and even learn and use the code the Navaho Codetalkers used.

Our current theme is Women's History. Well behaved women rarely make history and we have stories to show it.
