More Than Just Books by Golemon Library Assistant, Mrs. Helen Cozart

April is National Poetry Month. To celebrate, Golemon Library is having a poetry contest. It is open to students from any campus, including dual credit students. Submissions must be made by April 24th. Winners will be announced in a party in the library on April 28th at 7:00 PM. Three of our English department professors have agreed to be judges and some professors also agreed to offer students a point of extra credit for a first submission (if did not reach out to you personally to ask, please consider it). No matter what department you teach in you can support this by offering the extra credit. Just let your students know. Prizes are terrific (Amazon gift cards for \$50, \$25, and \$10) so it is worth mentioning to your students.

[What to do this weekend](#): The [Scarborough Renaissance Festival](#) is on weekends from April 9 through May 30. Each weekend has a specific theme. This week it is Travel Back in Time. It might be just the thing to motivate an aspiring bard, but if cosplay is not your thing, try market days in [Gruene](#), [Plano](#), or [Fredericksburg](#).

Our current theme is Poetry. Since National Poetry Month is a month long, we decided to look at a different type of poetry each week. This week it is English poetry. From the Elizabethans to Blake and Yeats, check out the classics.
