When did you start working at Ranger College? Fall 2013

The coolest place I have ever been: I will never forget the moment when I saw firstly Grand Canyon and Niagara Fall.

Favorite place to eat in Texas? One of my favorite places to eat in Texas is Cagle Steaks in Lubbock and The County Line on the Lake (BBQ restaurant in Austin).

Where can we find you on a Friday night? Usually, at home. But we (with wife and a dog) go to Austin or Houston to see my children.

Favorite television or movie character: My favorite television or movie characters are Tommy Lee Jones (born in San Saba in Texas) who played many roles in movies. I also like Keanu Reeves (Matrix), and Jung-Jae Lee (Squid Game).

Guilty pleasure: Sometimes I play golf. Playing golf is time-consuming sports. When I play a golf game, I feel sorry to my wife.

Favorite Ranger College Moment: The most favorite Ranger College moment was when Ranger College offered a full-time job to me. It was a great moment in entire my life.

Ranger College Gives Huge Thanks to the Golemon Library Leadership

The poetry contest is really shaping up. With ten days to go, we already have 39 entries. So far, we have entries from all three campuses and six different dual enrollment schools. It is great to see how much interest there is in poetry. Students can enter as many times as they would like, so keep encouraging them to participate. Thanks for helping us get the word out.

What to do this weekend: The [Scarborough Renaissance Festival](#) is on weekends from April 9 through May 30. Each weekend has a specific theme. This week it is Vikings & Ale. If cosplay is not your thing, try a music festival. There is [bluegrass](#) in Luckenbach, [Reggae](#) in Austin, or [EDM](#) in Ennis.

Our current theme is Poetry. Since National Poetry Month is a month long, we decided to look at a different type of poetry each week. This week it is American poetry. We have a display full of great American poets and many more on the shelves. It is easy to find a role model here.
