## ***Weekly Ranger Athletics Recap***

The Lady Rangers Soccer team faced off against rival Hill College on Wednesday afternoon at Howard Payne University in Brownwood. The Region V Conference Championship game would be a rematch between the same programs from last year. The teams would play to a stalemate until the 80-minute mark when Hill scored the lone point on the afternoon.

The Lady Rangers Volleyball team finished the regular season on a high note by completing the week 2-0. On Tuesday the Lady Rangers traveled north to take on North Central Texas College. The Lady Rangers avenged an earlier season loss by defeating NCTC in their final road game of the season 3 games to 1. Coach Smith's team celebrated Sophomore Night on Thursday at Ron Butler gymnasium by defeating conference rival Vernon College 3-2.

There is so much going on this week. Our [Hidden Histories of the Transcontinental Railroad exhibit](#) is available through November 4<sup>th</sup>. If you haven't visited yet, Monday during our [Halloween party](#) would be a good time! Joanna Spangler's English class will be doing a Dia de los Muertes presentation in the library Wednesday, November 2 at 1050 AM. Join us for some death and fun. Coming up on November 10<sup>th</sup> we are having a [NaNoWriMo](#) write in from 6 to 9 PM.

Of special interest is our subscription to NewsBank. This week Jon and I had a meeting with our rep who showed us a lot of great things you and your students can do. I built a [LibGuide to house tutorials and tools](#). It has videos and links for great ways to incorporate both current and historical news into your curriculum. We are coordinating a webinar for the faculty to see these great options in action and find out more about how to get the most out of this tool. Attending will give you an opportunity to ask questions, but the recording will be posted on the site for later, too.

[What to do this weekend:](#) We are moving past Halloween but that pretty much means skipping right past Thanksgiving to Christmas. I have already told you about quite a few Christmas markets, but they are kicking off with a vengeance now. This coming weekend try [Rising Star](#), [Weatherford](#), or [San Angelo](#). If you have already finished your shopping, or you are shopping for something a little more medieval, try the [Texas Renaissance Festival in Todd Mission](#). This weekend's theme is heroes and villains.

As part of our [International Year](#), this week we are celebrating [Cambodia's Bon om Touk](#) Water Festival. Bon Om Touk, also known as the Cambodian Water Festival, is celebrated in late October or early November, often corresponding with the lunar Mid-Autumn Festival. It marks the end of the monsoon season, when the Tonlé Sap River changes course. The festivities are accompanied by dragon boat races.

***Motivational Quote of the Week***

I think it's better to be overly ambitious and fail than to be underambitious and succeed in a mundane way. I have been very fortunate. I failed upward in my life!
