Congratulations to Anna Raspberry of DeLeon for winning our Scary Story Writing Contest with *Luna's Logic*. You can watch a poor sound quality video of Anna [reading her story here](#). Second and third place both went to Madison Dobie of Hico. We may have to rethink our multiple entry policy! Great work Madison.

There have been a lot of changes to TexShare this year. Some of you may have noticed the new tab just for [academic libraries](#). Not all the subscriptions are available to all libraries anymore. As it turns out, almost all of the special databases for academic libraries are health related. Great news for our nursing department but databases like Psychology and Public Health have a lot of potential in other topics. Be sure to check them out. There is one that is not health related called Academic Video Online. Their blurb says: Academic Video Online makes video material available with curricular relevance: documentaries, interviews, performances, news programs and newsreels, and more. Search for award-winning films including Academy®, Emmy®, and Peabody® winners and access content from PBS, BBC, 60 MINUTES, National Geographic, Annenberg Learner, BroadwayHD™, A+E Networks' HISTORY® and more.

At the library: Thanks to everyone who visited [Hidden Histories of the Transcontinental Railroad](#). Expect another exhibit in March. Up next, be sure to stop in on the 10<sup>th</sup> from 6 – 9 for our [NaNoWriMo](#) Write In Intense Writing session.

What to do this weekend: Fort Worth is hosting a [Film and Music Weekend](#) in the [Fort Worth Stockyards Historic District](#) from November 9 – 12, including the [Texas Country Music Awards](#) and the [Lone Star Film Festival](#).

As part of our [International Year](#), this week we are celebrating [Cambodia's Bon om Touk Water Festival](#). Bon Om Touk, also known as the Cambodian Water Festival, is celebrated in late October or early November, often corresponding with the lunar Mid-Autumn Festival. It marks the end of the monsoon season, when the Tonlé Sap River changes course. The festivities are accompanied by dragon boat races. How can you fit Cambodia into your curriculum this week?
