March 23, 1927, is a special day in Ranger College history. On this day it was formally recognized by the State Department of Education, marking the beginning of Ranger College's journey to becoming one of the most respected community colleges in Texas.

I am proud to serve Eastland county and be their voice in Austin.

### ***Weekly Ranger Athletics Recap***

The Ranger College Men's Basketball team concluded their postseason run this week in Hutchinson, Kansas. Coach Cox's team competed in the NJCAA Division I National Tournament. On Tuesday, the Rangers defeated Seminole State College 78-75 to advance to the second round of the tournament. The next day, the Rangers were defeated by Indian Hills Community College 88-68 to end their March Madness run.

In addition to the Ranger supporters who made the trip to Kansas to support the team, there were nearly 100 students, staff, and community members who attended the Watch Party in the old auditorium.

Yesterday, Ranger College celebrated the 50th anniversary of the 1973 National Champion Ranger Baseball team.

The 1973 Rangers were the first Ranger College baseball team to reach the National Tournament and the first of two National Champion teams (1973, 1978).

Led by MLB All-Star Donnie Moore (1954-1989), team captains Don Flowers and John Carrola, and several others who were drafted by MLB teams and spent time in the minor leagues, the Rangers had a record of 39-20.

Our [new exhibit](#) starts this week! Have you ever seen a musical that changed your way of thinking about a political or social issue? From George and Ira Gershwin's *of Thee I Sing* to Lin-Manuel Miranda's *Hamilton: An American Musical*, the intersection between entertainment, politics, and patriotism presents an emotionally powerful combination for theatergoers. This travelling exhibit from the Great American Songbook Foundation will be available at the Ranger College library from March 28th through May 4th, 2023.

America has a rich tradition of creating music. The Great American Songbook consists of enduring standards; the songs that are played and sung over and over by multiple generations. These songs have a timeless meaning and resonance, whether they are days or decades old. **Join us during the Open House on March 29<sup>th</sup> at 6:00 PM for an opening ceremony featuring patriotic music from the Ranger College Choir.**

[What to do this weekend:](#) This weekend it is all close to home. Abilene has the world famous [Outlaws and Legends Music Festival](#) and the [Big Country Swap Meet](#) while Weatherford's [monthly trade days](#) are on. If you are willing to go a little further afield, Waco is having a [Food Truck Showdown](#). Mmmm.

As part of our [International Year](#), this week we are celebrating the Hindu Festival of Holi. Holi is considered one of the most revered and celebrated festivals of India and it is celebrated in almost every part of the country and around the world. It is also sometimes called the festival of love because on this day people unite together, forgetting all resentments and all types of bad feelings towards each other. The great Indian festival lasts for a day and a night. The ritual starts by lighting up the bonfire one day before Holi, symbolizing the triumph of good over the bad. On the day of Holi people play with colors with their friends and families and in the evening they show love and respect to their close ones.

*Motivational Quote of the Week*

When it is time for you to  
leave this school, leave  
your job, or even leave this  
earth, you make sure you  
have worked hard to make  
sure it mattered you were  
even here.
