**Men's Basketball Coach TJ Cox has decided to take an NCAA Division I assistant coaching position at Northwestern State University in Louisiana. TJ did a great job re-establishing a strong traditional rich men's basketball program. Zack Verhulst will be stepping up to the Head Coach position at Ranger College. Coach Verhulst came to Ranger College as an assistant coach from Chipola College of Florida, another strong national contender in community college basketball every year. Coach Verhulst also served as an assistant coach at Eastern Michigan University.**

Congratulations to your librarian, Helen, who made a presentation at this weekend's West Texas Historical Association annual meeting. Her topic was *Short Lines and Railroad Towns During the Ranger Oil Boom*. If you would like to know more about our local history, visit Helen or listen to [this](#) and her previous presentations at our [YouTube channel](#).

[What to do this weekend:](#) Abilene and Dyess Air Force Base are hosting the [Big Country Air and Space Expo](#). [On base](#) will be static displays and an aerial exhibition that includes the Golden Knights, parachute aerobatics, and a re-enactment of the Japanese attack on Pearl Harbor. Non-ID card holders can enter through the north gate on Military Drive.

We have added a new page to our What to do this Weekend site for [local events](#). Local is everything in Eastland County and east to Thurber. This can include anything from cub scout meetings to farmer's markets. Email Helen with date/time/location information. If you have a flyer and a link it can make the main What to do this Weekend page.

As part of our [International Year](#), this week we are celebrating Laos and [Pi Mai](#), the Laotian new year. Lao New Year takes place in April, the hottest time of the year in Laos, which is also the start of the monsoon season. On the first day of this three-day festival, Laotians celebrate the end of the old year by cleaning their homes, villages, and Buddha images as well as spraying each other in fun. The second day is a day of no year, between the two years. On the third day, festivities start the new year.

you're good. It's the thing you do that  
makes you good.”*
