

## Welcome Message from Vocational Nursing Program Director

Welcome to the Vocational Nursing Program! Thank you for considering Ranger College for your educational experience. The Vocational Nursing Program is a twelve-month vocational training program governed by Texas Workforce Commission, Texas Higher Education Board, and the Texas Board of Nursing.

The program is available at the college's Brown County and Erath County Center. The program begins each August.

The Ranger College Vocational Nursing Faculty strives to:

1. Provide quality education for VN students consistent with educational guidelines set forth by the Ranger College and Texas Board of Nursing
2. Prepare VN graduates to function safely in the workplace under the supervision of the Registered Nurse
3. Prepare the VN graduate to be successful on the PN.
